

Exhibit AWestinghouse Electric Corporation - Air Arm Division  
Baltimore, MarylandSupplement to Report on Price Redetermination Audit  
Contract FL-3011, Item 16  
Appendix I  
Summary of Examination of Costs

|   | <u>Per Basic<br/>Report</u> | <u>Per Supplement<br/>to Report</u> |
|---|-----------------------------|-------------------------------------|
| <u>Amount of Contractor's Proposal before Adding Fee:</u>   |                             |                                     |
| Manufacturing Cost -  | \$ 323,569                  | \$ 326,349                          |
| General & Administrative Expense @ 17% -  | 55,007                      | 55,484                              |
| Total   | <u>\$ 378,576</u>           | <u>\$ 381,831 (1)</u>               |
| <u>Questioned Costs:</u>  |                             |                                     |
| Manufacturing Cost -  |                             |                                     |
| Amount questioned in basic report   | \$ 6,235                    |                                     |
| By representation of incurred costs to 30 June 1958 and estimate to complete as of that date, in the aggregate amount of \$302,527, the contractor has in effect concurred in the exclusion, as unsupportable, of the amount of |                             | \$ 23,820                           |
| General & Administrative Expense -  |                             |                                     |
| Amount questioned in basic report   | 7,407                       |                                     |
| Amount applicable to \$23,820 at contractor's proposed rate of 17%  |                             | 4,049                               |
| Difference between proposed rate of 17% and auditor's 1957 rate of 15%, or 2% x costs of \$265,444  |                             | 5,309                               |
| Difference between proposed rate of 17% and auditor's 1958 rate of 16%, or 1% x costs of \$37,083   |                             | 371                                 |
| Total   | <u>\$ 13,642</u>            | <u>\$ 33,549</u>                    |
| <u>Accepted Costs:</u>  |                             |                                     |
| Manufacturing Cost -  | \$ 317,334                  | \$ 302,527 (2)                      |
| General & Administrative Expense -  | 47,600                      | 45,755                              |
| Total   | <u>\$ 364,934</u>           | <u>\$ 348,282</u>                   |

Notes:

- (1) Includes estimated costs for Revisions 2, 34, 5, and 6, the contractor's cost analysis for which the aggregate was:

|  |                 |
|--|-----------------|
| Manufacturing Cost -                   | \$ 2,778        |
| General & Administrative Expense @ 17% | 477             |
| Total Cost                             | \$ 3,255        |
| Fee @ 7%                               | 229             |
| Aggregate Amount Granted               | <u>\$ 3,484</u> |

- (2) \* The auditor did not ascertain whether Purchase Order 86C-61-1446, referred to in basic report, has since been approved by the Contracting Officer. Reference is also here made to comment on residual inventory for the entirety of Contract FL-3011 contained in supplement to report on price redetermination of Contract Items 7 and 10 through 15.
